THE UNDER SECRETARY OF THE AIR FORCE WASHINGTON

March 29, 1965

Dear Pat,

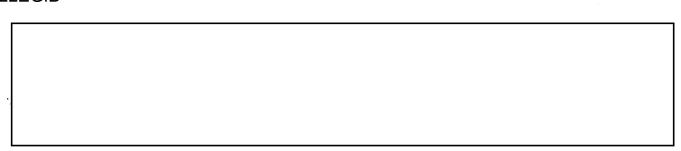

0

I have been in touch with our West Coast people during this current operation, and General Greer has informed me that your people have resumed providing the necessary data at the STC to Colonel Heran during the on-orbit operations. I am particularly pleased that we again can benefit from the "quick look" data provided by your people before it goes back to the A/P. I would like to express my sincere appreciation to you for your personal efforts in restoring a successful working relationship in the on-orbit operations.

Sincerely,	
	25X1 NRO
